Day, April 15, 2010

Dear Momentum, LLC,

Congratulations! You have been awarded Northwest ENERGY STAR Homes Verifier of the Year Award.

Thank you for participating in the annual awards competition for 2009/2010. The entries were truly impressive and the selection decision was a difficult one. Momentum stood out for your efforts in the verification process of building high quality, energy efficient homes, for marketing and educating builders and home buyers, and for your exceptional contributions to promoting energy efficient homes in your community.

We are impressed with your commitment to superior quality homes, and to using energy resources wisely, ensuring affordable energy for future generations. You are truly a leader in your field!

The Northwest ENERGY STAR Homes team is dedicated to your success, and we look forward to working with you in the future. We would love to hear your ideas or suggestions for how we can further support you. Anne Brink is the program manager and can be reached at 503-827-8416 ext 255.

Again, congratulations!
